DISCUSSION ITEMS

1. Two new families are joining our club; John Peperian and Tim Catterson families. We welcome your families and your ideas that you brought up during the meeting. John brought up the idea to have a winter launch on a lake. Frozen of course!!!! We tabled that due to upcoming events with TARC and possibly more involvement with THE MOST. The lakes don't get frozen over like they used to.
2. TARC – Ed Thomas brought up the use of Fay Road Park (corner of Grand Blvd and Fay Rd), for TARC event in early spring. Everyone liked the idea. It was decided that Our President needs to write a letter to the Town of Geddes regarding that. (see action items)
 - A). John Perperian suggested maybe the use of the park at VanVleck Rd. if we don't get approval of the Fay rd park.

3. **WALTS SALE NOV. 17** - The booth will be manned by assorted club members throughout the day. The **NIKE SMOKE** will be there. Dave will be arranging/calling for transportation and help to set it up at Walt's by Friday night the 16th.
